

Urban, Unrivalled, Unique Meet at The Marker Hotel Dublin

The Marker Hotel offers a distinct blend of urban style and luxury in the heart of Dublin's Docklands. Our conference and event facilities which span 784 sq (m) are both visually impressive and of an outstanding calibre. The variety of bright, spacious meeting rooms with natural fresh air conditioning invite productivity and are certified 'safe' from the Global Biorisk Advisory Council (GBAC) through Leading Hotels of the World (LHW), the 'Feel Safe' Program from NH Hotels and from Fáilte Ireland's COVID-19 Safety Charter.

Host part of your meeting in one room and live stream the presentation to other meeting rooms in order to maximise the number of attendees. With video conferencing capabilities throughout each of our nine meeting rooms, your team can connect whether in person, virtually or both. Talk to us about our hybrid meeting solutions.
